Our Model:

The foundation for all of our courses is the Best Practices Training Model:

- ▶ **Present** the concept and explain the rationale and research to champion its usage in the classroom.
- ▶ **Show** participants how to use the concept in their classrooms by demonstrating best practices.
- ▶ **Encourage** interaction among participants to reinforce understanding of the concept.
- ▶ **Empower** participants to process the information they have learned through reflection.
- ▶ **Develop** lesson plans and implement the concept in the classroom.
- ▶ **Provide** evidence that the application of the concept has been effective through documented self-assessment and student artifacts. implementation by analyzing the quality of students' work

BUDDY DISCOUNTS FOR NEW STUDENTS

If you have already taken a graduate course with Saint Xavier University and Pearson, you're eligible to take advantage of the Buddy Discount Program. For every new student* that registers for the same course with you, you will **save \$25!** (Not to exceed the price of the course.) As an incentive for your friends, they will also each receive \$25 off the course fee.

To take advantage of this special offer, you and your friend(s) must register at the same time, and you must call Customer Care at 800-348-4474 to complete the registration process. Discounts are not available when taking the class for CEU or CPDU credit. Discounts cannot be used with any other promotional offer, and will be applied to the balance due.

* A new student is someone who is new to the program and has never enrolled in a course.

Brand New Online Courses!

661XO - Math Across the Curriculum (3 Credit Hours)

This course introduces the multidimensional teaching strategy of curriculum integration. You will explore the rationale for integrating mathematics throughout the curriculum. Plus, learn to create interdisciplinary, thematic, and integrated mathematics units of instruction that align curriculum, standards, assessment, and instruction.

665XO - Reading Assessment and Diagnosis (3 Credit Hours)

This course explores the variety of reading assessment tools and their uses to improve planning of a reading program. You will learn to administer and interpret instructional assessments for screening and diagnosis of reading problems. Upon successful completion of this course you will have acquired a working knowledge of assessing the five areas of reading, exposure to test reliability and validity, the ability to use data to identify learning trends, ideas for differentiating your instruction, and knowledge of how to monitor student progress over time.

773XO - Cultural Diversity (3 Credit Hours)

This course focuses on meeting the challenges of a culturally diverse classroom: acknowledging and accepting cultural differences, understanding the effects of cultural differences on learning and the classroom environment, helping students overcome cultural misunderstandings, biases, and judgments, and promoting an atmosphere of mutual respect, all while meeting the needs of English language learners and supporting the individual needs of all students.

Policies and Registration Information

Saint Xavier University

Saint Xavier University, Chicago, is a comprehensive coeducational Catholic liberal arts institution located on a spacious campus on the city's Southwest side. A vital part of Chicago since its founding by the Sisters of Mercy in 1846, Saint Xavier University offers bachelor's degree programs in more than 30 fields, including business, education, communication sciences and disorders, and nursing. Master's degree programs are available in education, nursing, business, communication sciences and disorders, school counseling, community counseling, and applied computer science. Day, evening, and weekend scheduling provides flexible hours for more than 5,600 students. Saint Xavier University is accredited by the North Central Association of Colleges and Universities. Saint Xavier University is the provider of university credit for all courses in this catalog.

Special Needs

We are committed to addressing the needs of individuals with disabilities. If you have a disability that would interfere with your ability to fully participate, please request an accommodation as soon as possible.

Course Numbers

Any course numbered 400 and up is a graduate-level course.

Credit Hour Limit

No student may earn more than 11 credit hours per semester or 20 credit hours in the school year (Sept. 1 – Aug. 31).

Fees

The tuition fee is listed with each course and includes materials unless otherwise indicated. Materials may include such items as books, handouts, lab fees, tapes/DVDs, and consumable supplies used by the instructor. Materials designated for use in class by the instructor are required. Payment is due prior to class. Make checks payable to Pearson. Credit cards will be charged by Pearson Education, Cranbrook, NJ. **No cash will be accepted. Prices are subject to change without notice. Paid receipts cannot be faxed.**

Semesters

School year encompasses Jan. 1 – Dec. 31.

- Spring semester begins January 1.
- Summer semester begins May 1.
- Fall/winter semester begins September 1.

Attendance

Due to the compact course schedule, it is inadvisable for students to miss any class time. Please do not schedule classes for which you must miss any time. If a student is absent more than 20 percent of the time from any course, no graduate credit can be earned for that course. If a student is absent less than 20 percent of the time, graduate credit can be earned, but only if that time is made up. The instructor will select the make-up assignment in accordance with our policy. This will include attending another class session, a written assignment commensurate with the time missed, or both. **Please Note:** NO class time can be missed when a student is taking a course for CEUs/CPDUs.

If a class is cancelled due to an emergency, inclement weather, or an unforeseen circumstance, that class will be rescheduled. Students will be expected to make up missed class time in order to earn graduate credit.

Graduate Courses/Professional Development

The graduate credit courses listed in the catalog are intended as professional development for educators. They may also be eligible for CEUs or CPDUs credit, but do not satisfy requirements for certification, endorsements, or an academic degree at SXU.

Transcripts/Grade Information

Grades cannot be faxed. Allow at least six weeks after completing a course to receive an official transcript. For questions regarding transcripts, call Saint Xavier University at 773-298-3507.

Complimentary transcripts will be mailed to all students approximately six weeks after the course ends. For more information on fees for expedited transcripts, please call Saint Xavier University at 773-298-3507.

Incomplete Grades: Work for an incomplete grade must be completed within 10 weeks of the end of the course. Failure to meet the stated requirement will result in an automatic grade of "F."

How to Register for a Class

To register online, visit our website at www.teacher-courses.com/Spring09. Call Pearson at 800-348-4474 or 847-657-7450 to register with a credit card. To register by mail or fax, send a completed registration form and an accompanying \$100 non-refundable registration fee for each course to ATTN: Customer Care, Pearson, 1900 East Lake Ave., Glenview, IL 60025 or fax to 847-486-3195.
